### **Rules:**

1. Time limits are firm. Presentations must be concise. Use only a few summary charts. Tell us what's new. Don't rehash old things. Additional charts may be included with the meeting report.
2. Copies of your charts must be given to the Secretary at the time of the meeting.
3. An anonymous ftp site is being set up so that your charts can be made available to participants prior to the meeting. You may add extra charts there if you wish. Please submit your presentation material via anonymous ftp to host:
